INFORMATION DISCLOSURE STATEMENT TRANSMITTAL

Dear Sir:

Pursuant to the duty of disclosure under 37 C.F.R. § 1.56, and in accordance with MPEP § 601 and 37 C.F.R. §§ 1.97 and 1.98, Applicants and the undersigned attorney bring the information listed on the form PTO/SB/08a filed concurrently herewith to the attention of the Examiner.

The present application claims priority to U.S. application serial number 09/850,776, filed May 8, 2001, which is now abandoned. Out of an abundance of caution, the applicant wishes to draw the Examiner's attention to another case, now US Patent, 7,443,997 issued October 28, 2008, which is a continuation of the '776 application. Also, pending US application serial number 12/237,731, filed September 25, 2008, is a division of the application that matured into the '997 patent.

Pursuant to 37 C.F.R. § 1.97(h), the filing of this Information Disclosure Statement shall not be construed to be an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b).

The Commissioner is hereby authorized to charge any additional fees which may be required with respect to this communication, or credit any overpayment, to Deposit Account No. 06-1135.

Respectfully submitted,

FITCH, EVEN, TABIN & FLANNERY
